

YOU WERE SO BRAVE

Dear _____

First, let me tell you how brave you are. My fellow fairies told me that you've lost a tooth after your visit to the dentist.

I know it must hurt and you did a very, very good job.

For being a very brave and good girl, I left a very, very special treat for you. Go reward yourself with a _____, but just be sure to brush your teeth after eating it.

You deserve it for being such a brave girl.
