

LOOK AFTER YOUR SPECIAL TOOTH

Dear _____

Yesterday, your name appeared on my list. I know that you've lost a tooth and that you also want to keep it because it is a special tooth.

I know how you feel - I am a tooth fairy after all.

Because you have done such a great job looking after your teeth, you can definitely keep your special tooth.

I left something special for you under your pillow anyway, and I will be back again when you lose your next tooth.
